

Overview

The Trustees present their annual report and financial statements of the charity for the year ended 31 March 2020. It contains the following items:

- The annual report of the charity explaining the activities undertaken in the year, how the charity met its public benefit objectives and the way the church is managed.
- The annual financial report for the financial year ended 31st March 2020, the required statements and notes to the accounts.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard 102.

Objectives and Activities

Beeston Free Church Nottingham is situated in south-west Nottingham just a few hundred metres away from the University of Nottingham campus and close to University Hospital Nottingham. The church is a large community-based church which is focused on serving all ages. We are a member of the Fellowship of Independent Evangelical Churches and have adopted the FIEC's Basis of Faith as the theological basis of our work.

The activities of the church involve the promotion of our beliefs and reaching out to our community and beyond, providing care and sharing our faith. The trustees of Beeston Free Church Nottingham confirm they have had regards for the Charity Commission's guidance on public benefit and believe they have met the legal requirement of S17 of the Charities Act 2011.

Objectives

The charitable objectives are:-

- 1) The advancement of the Christian faith in accordance with the basis of faith primarily but not exclusively within Beeston, Nottinghamshire and the surrounding neighbourhood; and
- 2) Such other charitable purpose as shall, in the opinion of the charity trustees, further the work of the church.

Aims

Our vision: Glorifying God through lives transformed by the gospel

Our values: Loving God, loving the gospel, loving the church

Our mission: We are involved in Christian ministries with a local, national and international focus.

Activities that further the Charity's objectives

Use of the Church Building

The church building on Salthouse Lane, Beeston is used in a wide variety of ways to support the work of the church. The local community are welcomed into the building for many of the activities.

Sundays

On Sundays the congregations at each of the worship services, which include music, singing, praying and preaching, have continued to grow; activities for children also take place alongside the service.

From time to time special events make full use of the church building for both meetings and meals.

In addition, on Sunday evenings, a group for students meets for food, Bible study and reflection.

Weekdays

The church is in use almost every morning and evening, for activities including:

- Provision of children's and youth groups for 5-18 year olds on weekdays.
- Provision of a community group for children under 5 and their carers.
- Provision of activities and groups for both UK and international students.
- Provision of teaching courses for those seeking to learn more about the Christian faith.
- An extensive programme of bible study groups, social groups and training involving the volunteers who lead and support these groups

Many other events take place in the church building throughout the year including holiday activities for the retired and for children, courses about subjects such as money management and the Christian faith, social evenings with food and speakers for men and ladies, conferences and special events for Christmas.

A number of events were hosted to support churches and Christian organisations locally, regionally and nationally.

Raising Awareness and understanding our faith

At the centre of all we do as a church is the teaching of the Bible and encouragement of faith in Jesus. Some of the ways this has been done over the past year include:-

- Sunday services: during the school term three services take place each Sunday, at 9:15am, 11:15am and 6:30pm. During the school holidays, services take place at 10:30am and 6:30pm. Alongside the services groups for children aged 0-11 meet.
- A service also takes place at 10am every Sunday morning in Trent Vale Infant School in Beeston Rylands.
- Each week a number of Bible study groups meet, in the church building and in local homes.
- Weekly activities for children and young people aged 0-18, from the church and the local community, provide care, teaching and fun activities.
- Throughout the year courses run and individuals meet together to work through courses such as Christianity Explored to help explain our faith to those who are interested.
- During the year a number of ministry trainees have been employed. The trainees are involved in a wide range of ministry and practical tasks around the church, alongside receiving theological training at the Midland Ministry Training Course, run by the Midlands Gospel Partnership.

Encouraging Mission and Outreach

Beeston Free Church Nottingham remains committed to being outwardly focused, sharing our faith within the local community, more broadly in the UK and through supporting international mission.

The congregation of Beeston Free Church Nottingham known as Rylands Community Church, has continued to meet at Trent Vale Infant School during the year.

Outreach events are held throughout the year, both in the church building and elsewhere in the local area, to which the congregation are encouraged to invite friends and family; this has included social evenings, a summer holiday club for children, a holiday activities day for the retired and special Christmas services.

Work amongst internationals, particularly students from the University of Nottingham, is a large part of the work of the church. A variety of groups and activities for international students and their families meet in the church building each week; day trips and weekends away are also organised regularly.

We continue to support a number of mission partners and associates, working in the UK and internationally and have established relationships with a number of mission organisations including UFM, AIM and SIM.

Communicating our Faith and purpose

Communicating our faith is a key part of our activities as a church. Many of our activities seek to provide opportunities for those in the local community and beyond to hear the gospel and build the faith of those who believe.

Many of the events already mentioned provide opportunity for us to communicate our faith with those around us including musical events, food events with speakers, special events to celebrate Christmas, taking part in community events such as the Beeston carnival and our choir carol singing in Beeston Square.

Grant making

One of the ways in which the church fulfils its charitable purposes is through the making of grants to projects which seek to advance the Christian faith within local communities and across the world. The trustees are committed to carrying out due diligence to ensure that funds are applied in accordance with the charity's charitable purposes and funds are not knowingly used for money laundering, terrorist financing or bribery. Grant agreements are in place with all individuals and organisations, setting out the level of support and review periods.

Volunteers

The large number of volunteers within the church help in every aspect of the church's work. The majority of our members and many of the congregation partner together in our ministries and in practical ways. The members and congregation of the church give in excess of 300 volunteer hours each week and the trustees recognise that without this many of the church's activities could not take place.

Achievements and performance

The church has continued its programme of regular services and Bible teaching on a Sunday along with a number of support activities during the week.

The church supports a number of local, national and international initiatives to care for those in need and to advance the Christian faith.

This year, the staff team has remained relatively stable with no new appointments to the senior staff. As is normally the case, new trainees began work in September. During the 2019-20 academic year, the church has continued to employ additional international trainee, focused on international ministry, under the visa sponsorship scheme. There are two individuals volunteering a day a week; one focused on ministry to children and one focused on biblical counselling.

During the 2019-20 year the church has agreed to pursue a number of gospel growth initiatives that give existing and new ministries space to grow and flourish and allows us to:

- expand local mission through becoming a church-planting church
- impact national mission through becoming a ministry training centre
- serve international mission through continuing our focus on international students and overseas mission.

The initiatives are:

- *Additional Sunday capacity*

Exploration has begun into beginning an additional afternoon service

- *Community ministries*

As part of the community ministries initiative in February 2020, in partnership with the charity TLG, Make Lunch Rylands was launched. Make Lunch Rylands aims to provide a free, hot, healthy meal to families during school holidays who would otherwise go hungry. The launch event saw 11 local families attending.

In addition a team began regular visits to a local nursing home for the elderly, providing a monthly short service and conversation for residents.

- *Church planting:*

Exploration is ongoing into planting opportunities, partnerships with other churches are being developed and discussions are underway to move the Rylands congregation towards independence.

- *National Mission:*

Grants have been made from the Growth fund to two local churches and further funds will be given to the FIEC Mission fund when pledges funds are received. Recruitment is underway for a new minister in training as part of a commitment to training.

- *Global mission*

Support, both financial and pastoral, for existing mission partners continues and preparations to send others (a family to Italy and a lady to Africa) continue.

- *Building Development*

In December 2019 planning permission was granted for refurbishment, extension and re-ordering work on the church building. Work was due to get underway in April, but was put on hold due to the COVID-19 pandemic.

Funds have been pledged by members and others associated with the church to cover the costs of the works and grants for national mission; the funds are being collected in a restricted fund.

In late March 2020 the charity took steps (in line with government advice) to help contain the outbreak of COVID-19. This included the temporary suspension of all physical gatherings; the church has been able to continue some of its activities using online media. The trustees are monitoring income and expenditure and, if it becomes necessary, will take measures to mitigate the impact of COVID-19 on the charity's reserves.

Financial review

Analysis of income

Donations to the general fund remained stable compared to last year (2019/20 £387k, 2018/19 £387k). New givers replaced leavers like for like during the year.

Analysis of Expenditure

Total costs to the general fund increased this year by 24% on last year (2019/20 £470k, 2018/19 £378k). Expenditure has been broadly in line with the 2019/20 budget, with the exception of three one-off payments – two gifts of £20k for local churches (transferred from a restricted fund) and £25k for architect fees.

Reserves

The trustees set a budget each financial year. The operations manager has authority, with relevant consultation with the Treasurer, to work within this budget. Any expenditure outside the budget must be brought before the trustees.

The trustees plan to hold the equivalent of two - three months funds in reserve in cash at the bank and in interest bearing deposit accounts.

The trustees manage the finances of the church to ensure that the financial support of the members and other givers is used to further the charitable purposes of the church. Where the reserves of the church rise above the targeted level the trustees will take action to use the surplus in connection with those purposes. If the trustees know of future costs that justify higher than the policy level of reserves these will be explained in the quarterly management accounts, the year-end report, and will be reported to the church meeting.

At the end of the year the general fund reserve fund stood at £268k (includes £9k of fixed assets). This is 5 months cover for the general fund expenses. Whilst this is above the trustees reserve target it is recognised that costs will increase in the coming year because of the new gospel growth initiatives.

Budget 2020-2021

The March meeting of the members of the church was cancelled due to the Covid-19 lockdown. The budget was revised in light of the potential impact of the pandemic, approved by trustees and circulated to members for questions and approval in April.

Income to the general fund for 2020/21 is forecast to be £400k. This comprises of donations of £372k, charitable activities of £10k, transfers from other funds of £15k and activities for generating funds of £3k. It is assumed that giving for the year will remain largely stable with new givers to replace leavers like for like during the year.

Spending from the general fund for 2020/21 is forecast to be £446k. This comprises of: staff costs of £308k, International and UK mission costs of £49k, Ministry of Beeston costs of £36k, Property and utilities costs of £19k, administration and repair costs of £17k, other costs of £13k and £4k of capital expenditure.

Spending will exceed income by £46k.

Budget costs include:

- A new Minister in Training from September 2020
- Four trainees from September 2020.
- Community facing ministries
- Support for a gospel partner.
- Support for new mission partners.

The implications of the budget plans are that reserves will decline from 5.0 months to around 4.6 months cover by the end of 2020/21.

Investment Policy

No long term investments are held by the church as the trustees believe the church's ongoing giving and income is very stable and the trustees consider that it would be possible to take fundraising or cost saving action in good time should it be necessary. The church's reserves are held in interest bearing instant access or short notice deposit accounts with reputable financial institutions.

Risks and uncertainties

The church, and its trustees, are potentially at risk from a number of sources. These risks are managed so as not to expose them to undue risk and trustees are kept informed so that they are able to deal with any situations that may arise. Risks are assessed and mitigated against on an ongoing basis. The biannual risk analysis completed in February 2019, was reviewed in February 2020.

Additional checks by the trustees have been put in place to monitor finances during the COVID-19 pandemic.

The future

The current COVID-19 pandemic has a significant impact on the activities of the church with all physical meetings and activities suspended until social distancing measures are relaxed. Sundays services are being streamed live online and a number of other activities including prayer meetings, Bible study groups (including for teenagers) and trustees meetings are continuing via video conferencing software. It is anticipated these digital solutions will be able to continue until the usual activities are able to resume.

Some activities such as the Under Fives group and the group for the retired have had to stop meeting but will endeavour to keep in touch with regular participants by social media, email or telephone. Other activities, such as the recently launched Make Lunch Rylands, are finding new ways to reach their beneficiaries they support.

The church staff are all working from home and are able to stay in contact using messaging and video conferencing. Many volunteers are able to continue to contribute to the ongoing work of the church via digital means, such as leading Bible study groups or preparing materials for families to access at home

Trustees are closely monitoring the financial impact of the pandemic on the finances of the church; the church budget for the 2020-21 year has been revised and a number of financial scenarios have been considered. The church has a stable and consistent financial support base, predominantly comprised of members and regulars; the church has healthy reserves so any short term reduction in giving is not

an immediate cause for concern, but may have a longer term impact on the work of the church so requires carefully monitoring..

Work began on the church building in June 2020 with a budget of £612,000 for the first phase of work. Funds totalling £657,000 have been raised to date with further donations anticipated. Work on phase 1 is scheduled for completion in November 2020 and trustees will look to complete phase 2 when the necessary funds have been raised.

The uncertainty surrounding the timing of any relaxation in the social distancing measures makes future planning for activities and events challenging, but the trustees remain committed to the church's core objective of sharing the Christian faith.

Structure, governance and management

Beeston Free Church Nottingham is a Charitable Incorporated Organisation (CIO) registered in February 2015.

The church is governed by a Constitution and Rules. The church is a member of the Fellowship of Independent Evangelical Churches (FIEC) and the Midlands Gospel Partnership.

Church membership

Church membership is open to Christians who are willing to be in active partnership with the church in the work of the gospel. At the year-end church membership stood at 234. The church members meet regularly to conduct business meetings.

Organisational structure

The church membership elects, from its number, individuals to serve as church officers, who form the trustee body. These officers are Elders, Deacons, a Church Secretary and a Treasurer. The elders and deacons are appointed for a term of three years, which can be renewed for a further three years before a period of at least year must pass before the individual becomes eligible to stand again. The secretary and treasurer are appointed annually by the church members.

The Elders are responsible for doctrinal integrity, policy and strategy. The Deacons are responsible for practical matters. The Employment and Audit Committee meet as a sub-committee of the trustee body and includes all unpaid / unconnected members of the trustees; they consider all matters related to employment and other areas where paid or connected trustees may have a conflict of interests.

The trustees meet at least four times each year and have overall responsibility for the operation and leadership of the church. The trustees draw up policies and procedures within which they and the staff operate and make decisions. The trustees delegate much of the day to day responsibilities to the church staff team. The delegation of responsibilities to committees and staff is reviewed annually.

Staff

The church employs a number of staff; during the year the staff team has been:

- George Hawkins *Senior Minister*
- Dave Bish *Associate minister*
- Steve Baraniak *Assistant minister*
- John Goodwin *Assistant minister*
- Becky Thomas *Operations Manager*

- Ele Hawkins *Administrator*
- Ruth Evans *Finance Officer*

All decisions on staff remuneration and pay are made by the Employment and Audit Committee with reference to the Remuneration Policy agreed by the committee in October 2018.

Trainee scheme

The trainee scheme, a yearlong discipleship programme, has continued and a new scheme for an international trainee has been established. In the 2018-19 academic year Callum Pike, Ed Sadler and Hayley Martin served as trainees and Yong En Chua is serving as an international trainee. In the 2019-20 academic year Hayley Martin, Anne Macgregor, Hannah McDermott and Naomi Bond are serving as trainees and Yong En Chua is serving as an international trainee.

1. Basis of Accounting and going concern

The accounts (financial statements) have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published on 16 July 2014, the Financial Reporting Standard for Smaller Entities (FRSSE), and the Charities Act 2011 and applicable regulations.

The Trustees have prepared budgets for the year ended 31 March 2021 and have a strategic plan beyond that date. The Charity meets the definition of a public benefit entity under FRS102

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The financial statements are presented in Sterling (£)

c) Assets

Tangible Fixed Assets for use by the Charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt. The rates of depreciation charges are: Freehold land and building SL 2% per annum, fixtures, fittings and equipment SL 10% per annum, electronic and audio visual equipment SL 25% per annum.
d) Pension Costs	The charity operates a defined contribution pension scheme. Contributions payable to the charity's scheme are charged to the statement of financial activities in the period to which they relate.
e) Holiday Pay / Sabbatical Leave	Provision is made within the accounts to include a liability as incurred for holiday pay. From time to time sabbatical leave is taken by employees but this is at the discretion of the trustees and is not a contractual obligation.
f) Lease Commitment	Lease payments are charged to the statement of financial activities as incurred.
g) Debtors	Debtors are recognised at the settlement amount owed to the charity or prepaid.

- h) Creditors
Creditors and provisions are recognised where the charity has a present obligation, resulting from a past event that will probably result in the transfer of funds to a third party, and the amount due to settle the obligation can be measured or estimated reliably – creditors and provisions are normally recognised at the settlement amount
- i) Financial Instruments
The charity has financial assets and financial liabilities of a kind that qualify as basic financial instruments
Basic financial instruments are initially recognised at transaction value and subsequently measured at this settlement value
- j) Judgement and Key Sources of Estimation Uncertainty
The preparation of accounts using the generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the accounts and the reported amounts of revenues and expenses during the reporting period
The key estimates and assumptions used in the financial statements are detailed in the accounting policies.
